

Hoddesdon Tennis Club

Hoddesdon Lawn Tennis Club has been in existence for more than 100 years, bringing the community together over the love of tennis.

Hoddesdon Tennis Club provides tennis for families and individuals in the local community not only for competition but also for fun, social interaction and pure enjoyment for all ages and abilities.

As some of the courts were in need of a bit of TLC, Playrite were brought on board by Simon at ETC Sports to help with the project of resurfacing areas of the tennis club.

Along with Mike Seymour, Playrite and ETC Sports worked together to select the correct surface, Grandplay was chosen as the ideal choice to bring the club back to life again.

Grandplay is Playrite's newest addition to our tennis surface range, it simulates a natural grass court providing a positive grip underfoot which makes it the preferred choice for many tennis clubs.

Hoddesdon was completed by the end of 2016 and the club now have gained so much from the new courts, its really boosted their facilities which now all the community can come together and enjoy.
