

## Hollyhedge Park

Located in Sharston, Manchester, Hollyhedge Park provides the local community with a children's play area, football pitches, bowling greens and a multi-use games area.

### The Challenge

Playrite was approached by Groundwork for Manchester City Council and tasked with replacing the park's aged and worn

wet-pour rubber base with a new Playsafe surface.

### The Result

The council has recently fitted new play equipment – including slides and swings – at Hollyhedge park and Playrite's installation of a new Playsafe system provides landing protection in line with critical fall height risk.
