

Macaulay Primary School

Macaulay Primary School, situated in Grimsby, experienced a remarkable metamorphosis of its outdoor play area, thanks to the imaginative and innovative design expertise of Newby Leisure, a trusted specialist in playground design.

Guided by the school's core values and motto, "Today's learners, Tomorrow's leaders," both the staff and students exemplified a "can do" attitude, emphasising their commitment to offering equal opportunities to all children, irrespective of their backgrounds.

In addition to ensuring practicality and safety, the school sought to create a secure and inspiring space that catered to various purposes, including learning, imaginative exploration, and physical play. To achieve this, they enlisted the expertise of Newby Leisure, resulting in the design of a versatile playground.

Project: Macaulay Primary School

Product: Nearlygrass 30

Recognising the need for year-round accessibility, the recommendation was made to utilise an artificial grass surface within the design. Playrite's Nearlygrass 30, renowned for its durability and safety, was chosen to enable the pupils to engage in play regardless of the weather conditions.

Chris Pickles, Sales Manager for Playrite mentioned "We have collaborated with Newby Leisure on numerous projects, and it's wonderful to witness their seamless teamwork in creating a space that brings joy to the entire school."

Ashley Spinks, Marketing Manager for Newby Leisure, remarked, "By implementing Playrite's Nearlygrass 30, Macaulay Primary School has significantly improved its outdoor areas. The robust and secure artificial turf provided a consistent and reliable surface for the students, promoting physical activity and outdoor play throughout the year."

Overall, the collaboration between Macaulay Primary School, Playrite and Newby Leisure resulted in a highly successful transformation of the school's outdoor spaces. The introduction of Nearlygrass 30 created a vibrant and easily accessible environment for students, and nurturing their physical development, engagement, and enjoyment of outdoor activities.
